

DENTISTRY

1st
Malaysian University
that earned 5★ for Prioritizing
Society's Needs in Malaysia
- by QS Stars

SEGi
University

INTRODUCTION TO SEGi UNIVERSITY

SEGi was established in 1977 as Systematic College in the heart of Kuala Lumpur offering professional qualifications. Since its founding four decades ago, SEGi has undergone significant growth, strengthening the quality of its wide range of programmes from foundation to doctorate level.

It is one of the most established private higher education institutions in Malaysia with its flagship campus located in Kota Damansara and four other campuses are in Subang Jaya, Kuala Lumpur, Penang, and Kuching. Currently, SEGi has a population of 20,000 local and international students across its campuses.

SEGi is recognised as "The first Malaysian University that earned 5 Stars for Prioritizing Society's Needs in Malaysia" by QS Stars, an international evaluation system for universities based on auditing.

A QUALITY ORAL HEALTH CARE EDUCATION

Practised for thousands of years, dentistry is the professional and licensed practice of preventing, diagnosing and treating diseases, injuries, and malformations of the teeth, jaw, and mouth. Strong oral well-being is vital to maintain a healthy lifestyle and countenance. Research shows that poor oral health can be linked to heart and lung disease, diabetes, stroke, low birth weight, and premature births.

Our Faculty of Dentistry is equipped with a fully functioning dental clinic and many in-house dental professionals and auxiliaries. Here, students are given hands-on practical training, which provide insights into working as a dental team and with patients. The SEGi Oral Health Care Centre is designed to meet industry standards and is monitored by various agencies.

The dental profession includes those who provide direct patient care, those who teach, conduct research, and work in public health and international health. All these individuals are vital links in the health care delivery system, necessary to promote social and economic change as well as individual wellbeing.

“ The Faculty of Dentistry aims to place quality oral health education within the reach of willing minds and natural talents.

We strive to be a premier higher education provider that empowers students through innovative technologies and student-centric learning techniques with the objective of producing dental practitioners who are knowledgeable and technically competent; socially responsible and responsive to the changing health needs of the community; able to function effectively and independently in a dental team and adhere to the standards of professional conduct and ethics, and in time able to promote continuous professional development through research and innovation.

”

Datuk Associate Professor Dr. Khairiyah Binti Abd Muttalib
Dean, Faculty of Dentistry
SEGi University

AT A GLANCE

GLOBAL RECOGNITION

- Double Awards from Top 3.3% of Universities Worldwide (The Centre for World University Rankings 2017 (CWUR) University of Central Lancashire (UCLan)
- MQA Fully-Accredited Programmes
- 2017 QS Overall 3-star rating with 5-star rating in teaching, facilities, social responsibility, and inclusiveness

SCHOLARSHIPS

- 1st Malaysian University that earned 5 Stars for Prioritizing Society's Needs in Malaysia (by QS Stars)
- Over RM100 million worth of Group scholarships awarded over the past 41 years
- QS 5 Stars rated for inclusiveness and social responsibility

EXCELLENT TEACHING, LEARNING & RESEARCH

- QS 5 Stars Rated for Excellence in Teaching
- QS 5 Stars Rated for Facilities
- SETARA, 2017 scored above medium of 83 in the category of Teaching and Learning
- Independent students' 2017 evaluation rating: more than 95% of students rated our lecturers as excellence in teaching
- Student to academic staff ratio 21:1, based on SETARA (2017)
- Research-led environment

GLOBALLY RECOGNISED,
DISTINCTIVELY SEGi.

OUR 6 COMPETITIVE ADVANTAGES

SKILLS ENRICHMENT & SUPPORT

- More than 100 SEGi Enrichment Programmes in the areas of leadership, communication, and grooming skills (among others) to enhance students' learning experience
- Academic Skills Unit to assist students in academic writing and effective study, research techniques, time management, academic integrity, and exam preparation
- Mentor-Mentee system to provide guidance to students on academic matters and to foster a close and constructive professional relationship between students and lecturers
- Technology-supported learning using the Blackboard learning management system.

STUDENT SATISFACTION

- 80% of students are willing to recommend their friends and family to study with us

INDUSTRY DRIVEN GRADUATES

- 2017 SETARA Graduate Employability 85%

SEGi UNIVERSITY

OUR ACCOMPLISHMENTS AND ACCOLADES

SEGi University & Colleges is at the forefront of educational excellence to help our students realise their career aspirations. We are honoured to have received a string of prestigious awards. These recognitions reflect SEGi's continued commitment to highest-caliber educational experience for our students.

QS 5 STARS

in teaching, facilities, inclusiveness and social responsibility. Achieved a stunning 3 Stars overall.

The First Malaysian University that earned 5 Stars for Prioritizing Society's Needs in Malaysia.

WE PRIORITISE YOUR NEEDS

SEGi CONNECT!

(Located at 1st and 2nd Floor)

We make your exciting experience of stepping into the next chapter of your life as smooth and memorable as possible! From the moment you come in to SEGi for your registration, we will be there to guide you on the whole process. We are with you even before you enter class, and we continue to be with you throughout your studies. We, your first SEGi friends, will be in contact continually throughout your studies, until we know you will be fine on your own in our campus.

ACADEMIC LEARNING SUPPORT

(Located At 2nd Floor)

Our Academic Skills Unit (ASU) was established to provide learning support and academic enhancement services for students, as part of their post-classroom learning experience. Our services include:

- assignment-writing
- thesis-construction
- language proficiency
- research brain-storming studying skills

EMPLOYMENT READINESS PROGRAMME

(By Student Affairs Department)

We provide Pre-Internship and Pre-employment Workshops to instil Employment Values as You Venture From Academic to Work Life.

Our in-house "soft skills" training will prepare you for internship placement and employment upon graduation.

During Your Studies

Before You Graduate

GLOBAL INDUSTRY EXPOSURE

(Your Faculty)

- We enrich your learning experience by exposing you to local and global industry practices.
- We strategically network with industry leaders to foster long-term, multi-dimensional relationships.
- We apply academic expertise to generate socially relevant and high impact research activities with industry and community stakeholders.

STRONG GLOBAL INDUSTRY LINKAGES

(Career Office at 2nd Floor)

- With the opportunity to join more than 1000 companies worldwide
- Career Fair within campus just for you.

MENTOR MENTEE SYSTEM

(Your Lecturers)

The learning culture in higher education is very different whereby intellectual discussions happen between lecturers and students rather than the conventional spoon-feeding of information. Students are guided to be independent in their learning at SEGi University. The Mentor-Mentee programme at SEGi University is to help students fit into this new culture as well as help those who may need more guidance academically.

SEGi ENRICHMENT PROGRAMME

(Every Wednesday Afternoon)

SEGi ENRICHMENT PROGRAMME addresses the major reasons for unemployment by providing opportunities for students to hone their soft skills through more than 100 structured and specially designed Seminars, Workshops, Conferences, Symposiums and training sessions that make our students industry-ready! These are developed based on industry and professional bodies' feedback on the requirements of a fresh graduate.

EARLY AND EXTENSIVE CLINICAL EXPOSURE

Our curriculum provides students early exposure to patients and clinical training, allowing them to develop high levels of clinical skills and medical knowledge.

STUDENT-CENTERED LEARNING APPROACH

We place strong emphasis on students' interest to foster the development of skills for problem solving, critical thinking and communication as we try to shape students to become lifelong learners.

MENTORING PROGRAMME

A lecturer is assigned to provide guidance and support to 7-9 students (mentees) to facilitate his/her academic and social needs.

STATE-OF-THE-ART ORAL HEALTH CENTRE

The SEGi Oral Health Centre is a teaching facility that ensures students have hands-on training to develop the necessary skills and aptitude.

TOP-NOTCH RESOURCES FOR A QUALITY LEARNING EXPERIENCE

ACCREDITED PROGRAMME BY THE MQA

Our Bachelor of Dental Surgery programme has received full accreditation from the Malaysian Qualification Agency in 2016. Malaysian graduates with Bachelor of Dental Surgery (SEGi) are fully registrable with the Malaysian Dental Council.

DEDICATED ACADEMICIANS

We pride ourselves on having a team of academicians who are not only highly qualified, but also experienced in academia, and a good number of them hold international qualifications in dentistry.

ORAL HEALTH CENTRE

The SEGi Oral Health Centre is a teaching facility that ensures students have hands-on training to develop necessary skills and aptitude.

Students learn by treating patients under close supervision of experienced and skilled lecturers. Through that, students will develop the knowledge to solve problems through problem-based clinical situations and lectures. The SEGi Oral Health Centre provides modern clinical facilities, laboratories, and clinical teaching methods that are student-centric.

Teaching facilities include 58 dental units, 53 prosthetic workstations, 25 Simulator Units, and 6 dental X-rays facilities.

Paediatric Dentistry Clinic

Our Paediatric Dentistry clinic provides clinical training for students on oral health care for children.

Prosthetic Laboratory

The Prosthetic laboratory is where students learn to provide complete and partial prostheses and other appliances.

State-of-the-Art Facilities

The Faculty of Dentistry is engaged in oral health education, research, patient care, and community service. Our clinics and laboratories are equipped with the latest state-of-the-art dental units and instruments.

Dental Clinic

The dental clinics provide the setting for clinical training and are equipped with state-of-the-art technology with a spacious waiting lounge for patients.

Mentoring

Mentor-Mentee Activities: a lecturer is appointed as mentor to 7-9 students (mentee) to facilitate discussion on their academic and social problems.

Primary Care Support

The SEGi Oral Health Centre provides clinical facilities that are fully equipped with modern technologies, which allow students to practise under simulated environment. Students will be professionally supervised during their educational activities, offering them the best practical clinical experience.

Experienced and Highly Qualified Teaching Staff

The Faculty of Dentistry offers a collegial environment that allows students to benefit from highly qualified and experienced teaching, research, clinical and professional staff, a good number hold international qualifications in the respective fields of dentistry. The teaching staff has innovative online teaching methods to create interest.

BACHELOR OF DENTAL SURGERY (BDS)

Dentistry is a highly respected professional career which demands high standards of care and skills, as well as an aptitude for dealing with people.

The SEGi University Bachelor of Dental Surgery (BDS) is a five-year program that aims to produce competent, caring, and knowledgeable dental practitioners. Students are exposed to early patient contact and clinical training, with an emphasis on the recognition and prevention of oral diseases. The dynamic curriculum is delivered within a problem-based learning approach, with an emphasis on contextual learning of relevant scientific information. The curriculum also reflects the way in which students will be expected to identify and address clinical problems, placing a higher emphasis on delivery through engagement with the students.

Programme Modules

Early Clinical Phase (Year 1 & 2)

Year 1

- Man in Health & Disease I
- Oral Cavity in Health & Disease I
- Personal & Professional Development

Year 2

- Man in Health & Disease II
- Oral Cavity in Health & Disease II
- Clinical Dental Practice I
- Personal & Professional Development
- Community Oral Health

Clinical Phase (Year 3, 4 & 5)

Year 3

- Human Disease
- Oral Diagnosis I
- Clinical Dental Practice II
- Personal & Professional Development
- Community Oral Health

Year 4

- Oral Diagnosis II
- Clinical Dental Practice III
- Personal & Professional Development
- Community Oral Health

Year 5

- Clinical Dental Practice IV
- Personal & Professional Development
- Community Oral Health

Man in Health & Disease

- Anatomy
- Physiology
- Biochemistry
- Pharmacology
- Pathology
- Microbiology

Oral Cavity in Health & Disease

- Oral Biology
- Oral Pathology

Human Disease

- General Medicine
- General Surgery

Community Oral Health

- Epidemiology
- Preventive Dentistry
- Community Oral Health
- Management & Administration in Dental Public Health

Oral Diagnosis

- Oral Medicine & Radiology
- Dental Therapeutics

Clinical Dental Practice

- Prosthodontics
- Periodontics
- Conservative Dentistry & Endodontics
- Orthodontics
- Paediatric Dentistry
- Oral Surgery
- Dental Material Science
- Dental Technology
- Clinical Preventive Dentistry

Personal & Professional Development

- Soft Skills
- ICT
- Scientific understanding (Statistics, Research Methods, Evidence-based Dentistry)
- Professional Behaviour
- Ethics & Jurisprudence

As part of the curriculum, students are required to take 4 general subjects (Mata Pelajaran Umum), as required by the Ministry of Education

Career Opportunities

General Dental Practice: A rewarding career as a family dentist.

A dentist can choose to further his/her career from a wide range of specialty disciplines:

Dental Public Health, Orthodontics, Oral Surgery, Pediatric Dentistry, Periodontology, Restorative Dentistry, Oral Medicine, Oral Pathology, Forensic Odontology, Endodontics and Special Needs Dentistry

ACADEMIC ENTRY REQUIREMENTS

- All applicants who enter a matriculation, foundation or pre-medical programme, except those with a degree qualification in arts or humanities, shall have passed and attained a minimum of the following at School Certificate level or its equivalent:

Sijil Pelajaran Malaysia (SPM)	5 Bs each in Biology, Chemistry, Physics, Mathematics (or Additional Mathematics) and another subject.
General Certificate of Education Ordinary ("O") levels	5Bs each in Biology, Chemistry, Physics, Mathematic (or Additional Mathematics) and another subject.
Unified Examination Certificate (UEC)	B4 each in 4 subjects i.e. Biology, Chemistry, Physics (or Mathematics or Additional Mathematics) and another subject.

- All applicants, except those with a degree qualification in arts or humanities, shall have passed and attained a minimum of the following at:

a. Higher School Certificate Level or its equivalent:

Sijil Tinggi Pelajaran Malaysia (STPM)	Grades BBB, ABC or AAC in 3 subjects i.e. Biology, Chemistry, Physics or Mathematics
General Certificate of Education Advanced ("A") levels	Grades BBB, ABC or AAC in 3 subjects i.e. Biology, Chemistry, Physics or Mathematics
Matriculation or Foundation in Science or Pre-Medical course	CGPA 3.0 (out of 4) in 3 subjects i.e. Biology, Chemistry, Physics or Mathematics and Provided the course is not less than 1 year in the same accredited institution and the minimum entry qualification is 5 Bs each in Biology, Chemistry, Physics, Mathematics (or Additional Mathematics) and another subject at School Certificate level or its equivalent
Unified Examination Certificate (UEC)	B4 each in 5 subjects i.e. Biology, Chemistry, Physics, Mathematics and Additional Mathematics
Monash University Foundation Pre-University Program (MUFY) or University of New South Wales (UNSW) Foundation or Western Australia Curriculum Council or HSC Sydney Australia or Trinity College Foundation Studies or Australian Universities Foundation Programmes or South Australian Matriculation or Victorian Certificate of Education, Australia Year 12	Aggregate or average of 80% in any 3 subjects i.e. Biology, Chemistry, Physics or Mathematics or 80% ATAR
National Certificate of Educational Achievement (NCEA) Level 3 or New Zealand Bursary	Average of 80% in any 3 subjects i.e. Biology, Chemistry, Physics or Mathematics

Canadian Pre-University (CPU) or Canadian International Matriculation Program (CIMP) / Canadian Grade 12/13	Average of 80% in any 3 subject i.e. Biology, Chemistry, Physics or Mathematics
Indian Pre-University	Average of 70% in any 3 subjects i.e. Biology, Chemistry, Physics or Mathematics
International Baccalaureate (IB)	30 points with a minimum of 2 science subjects or Mathematics at Higher Level (HL) and 1 science subject at Standard Level and attained a minimum score of 4 each in Biology, Chemistry, Physics (or Mathematics)

or

b. Diploma Level

Diploma in Health Sciences	CGPA 3.5 (out of 4) and Provided the course is not less than 5 semesters or 2½ years in the same accredited institution and the minimum entry qualification is 5 Bs each in Biology, Chemistry, Physics, Mathematics (or Additional Mathematics) and another subject at School Certificate level or its equivalent
----------------------------	--

or

c. Degree Level

Degree in Medical Sciences	CGPA 3.3 (out of 4) 5-year undergraduate medical programme
Degree in Medical Sciences Degree in the Arts or Humanities	CGPA 3.5 (out of 4) 4-year graduate medical programme CGPA 3.5 (out of 4) 5-year undergraduate medical programme and 3 Cs each in Biology, Chemistry, Physics, General Science, Mathematics or Additional Mathematics at SPM or its equivalent or an accredited bridging course
Degree in the Arts or Humanities	CGPA 4.0 (out of 4) 4-year graduate medical programme and 3 Cs each in Biology, Chemistry, Physics, General Science, Mathematics or Additional Mathematics at SPM or its equivalent or an accredited bridging course

- Applicants may be required to pass an aptitude test and/or an interview and/or a university entrance examination
- All applicants shall attain a level of competence in English to enable them to complete the course successfully

HEALTH ENTRY REQUIREMENTS

Prior to admission, all short-listed applicants are required to undergo a medical checkup to ensure they are free from communicable diseases such as HIV and Hepatitis; and to undergo immunisation against Hepatitis B.

Intake

September

"SEGi is well-equipped with dental simulation laboratories and we are exposed to the different specialisations available in dentistry giving us the opportunity to determine which specialisation best suits us. We are also given hands-on practical session which develops our confidence and professionalism in becoming a competent dental practitioner. I am proud to be a dental student and a SEGian."

Chong Ming Yi
Bachelor of Dental Surgery

"Since the day I started this programme, I knew it was the right choice. The "open door" concept that is implemented by lecturers has always provided me with the opportunities to gain more knowledge and sharpen my skill. The facilities provided and the friendly environment in SEGi have affirmed my confidence in pursuing my dreams to become a competent dentist here."

Bryan Sasikiran
Bachelor of Dental Surgery

"This programme establishes clear objectives for each lesson, to meet a high-quality education standard. The lecturers here practice open communication with us and make themselves available at all times. Because of them, I believe I will be well-prepared to be the best dental practitioner in the future."

Adrian Peh Kang Wei
Bachelor of Dental Surgery

"Being a dental student in SEGi University is a great experience for me. Our simulation lab is well-equipped with the latest technology to get maximum exposure during Operative Dentistry demonstrations like cavity preparations and restorations."

Syed Zafri
Bachelor of Dental Surgery

NATIONAL DENTAL INTERVARSITY GAMES (NDIVG) 2018

The Faculty of Dentistry, SEGi University sent 69 students to UiTM Puncak Alam campus and UiTM Sungai Buloh campus on 7th and 8th April 2018 for the National Dental Intersarsity Games (NDIVG) 2018. Among the games competed were volleyball, futsal, basketball, badminton, netball, table tennis, frisbee, tennis, chess and the 5 km night run. Faculty of Dentistry, SEGi University students earned 1 gold medal in Badminton Female double, 1 gold medal in table tennis female double, 1 silver medal in Tennis single (Male), 1 silver medal in Futsall (Male) and 1 bronze medal in the Dental 5K run. SEGi was ranked 7th among 13 dental schools in Malaysia.

24TH SCATE 2017

The Faculty of Dentistry sent 3 student research project teams for oral presentations to the 24th MDA Scientific Convention and Trade Exhibition 2017 (24th SCATE 2017) organized by the Malaysian Dental Association (MDA). One student project, 'Effects of delayed pouring on the dimensional stability of extended pour alginate under different storage condition: An In-vitro study' presented by Final Year student, Fam Shen Deng, won 1st place for Best Oral Presentation with a cash prize of RM 1000 going against dental practitioners and postgraduate students.
